Important Committee Meeting Procedures Information

Welcome to a meeting of the California Fish and Game Commission's Tribal Committee. The Committee is composed of and chaired by up to two Commissioners; these assignments are made by the Commission each year.

The goal of the Committee is to allow greater time to investigate topics before the Commission than would otherwise be possible. Committee meetings are less formal in nature and provide additional access to commissioners. The Committee does not take action independent of the Commission; instead, the Committee makes recommendations to the full Commission at regularly scheduled Commission meetings.

The Commission's goal is preserving our outdoor heritage and conserving our natural resources through informed decision-making; Committee meetings are vital in developing recommendations to help the Commission achieve that goal. In that spirit, we provide the following information to be as effective and efficient as possible.

Persons with Disabilities

Persons with disabilities needing reasonable accommodation to participate in public meetings or other Commission activities are invited to contact the Department's Civil Rights Office at (916) 653-9089 or civilrights@wildlife.ca.gov. Accommodation requests for facility and/or meeting accessibility and requests for American Sign Language interpreters should be submitted at least two weeks prior to the event. Requests for real-time captioners should be submitted at least four weeks prior to the event. These timeframes are to help ensure that the requested accommodation is met. For those joining by Zoom, you may be able to enable closed-captioning via the Zoom platform. If a request for an accommodation has been submitted but is no longer needed, please contact the Civil Rights Office immediately.

Submitting Written Materials

The public is encouraged to attend Committee meetings and engage in the discussion about items on the agenda; the public is also welcome to comment on agenda items in writing. You may submit your written comments by one of the following methods (only one is necessary): **Email** to fgc@fgc.ca.gov; **mail** to California Fish and Game Commission, P.O. Box 944209, Sacramento, CA 94244-2090; **deliver** to California Fish and Game Commission, 715 P Street, 16th floor, Sacramento, CA 95814; or **hand-deliver** to a Committee meeting.

Comment Deadlines

The **Written Comment Deadline** for this meeting is 5:00 p.m. on **August 4, 2025**. Written comments received at the Commission office by this deadline will be made available to commissioners prior to the meeting.

The **Supplemental Comment Deadline** for this meeting is noon on **August 8, 2025**. Comments received by this deadline will be made available to the chair or co-chairs at the meeting.

After the written and supplemental comment deadlines, written information may be delivered in person to the meeting; please bring **six** copies and provide them to staff during the relevant agenda item.

Note: Materials provided to the Committee may be made available to the general public.

Regulation Changes

The Committee **will not** consider comments regarding *proposed changes to regulations that have been noticed by the Commission*. If you wish to provide comment on a noticed regulation change, please provide your comments during Commission business meetings, via email, or by delivering to the Commission office.

As a general rule, requests for regulatory change must be redirected to the full Commission and submitted on the required petition form, [FGC 1, Petition to the California Fish and Game Commission for Regulation Change](#). However, at the Committee's discretion, the Committee may request that staff follow up on items of potential interest to the Committee and possible recommendation to the Commission.

Speaking at the Meeting

Committee meetings operate informally and provide opportunity for everyone to contribute to the dialogue. If you wish to speak on an agenda item, please follow these guidelines:

- You will be given instructions during the meeting for how to be recognized by the Committee chair or co-chair to speak.
- If you have written information to share, please provide **six** copies to staff before you begin speaking.
- Once recognized, please begin by giving your name and affiliation (if any) and the number of people you represent.
- Time is limited; please keep your contributions concise so that everyone has an opportunity to speak.
- We encourage you to avoid repeating previous contributions. You may wish to appoint a spokesperson, or simply state you agree with a previous contributor.
- If speaking during general public comment for items not on the agenda, the subject matter you present should not be related to any item on the current agenda (public comment on agenda items will be taken at the time the Committee members discuss that item). As a general rule, public comment is an opportunity to bring matters to the attention of the Committee, but you may also do so via email or standard mail. At the discretion of the Committee, staff may be requested to follow up on the subject you raise.

Visual Presentations/Materials

All electronic presentations must be submitted by the **Supplemental Comment Deadline** and approved by the Commission executive director before the meeting.

- Electronic presentations must be provided by email to fgc@fgc.ca.gov or delivered to the Commission on a USB flash drive by the deadline. If the file is too large to send via email, staff may be able to assist you with an alternative delivery method, such as an FTP site.
- All electronic formats must be Windows PC compatible.
- If participating in person, it is recommended that you bring a print copy of any electronic presentation in case of technical difficulties. The chair or co-chairs will receive your presentation electronically.
